

Programs for Outreach partnering with Will Rogers

August 10 – Fall Gardening with Limited Space – Join the Oklahoma Gardeners Association presentation on fall vegetable gardening. August is the time to start planting for your fall vegetable garden. Small spaces can produce an abundance of excellent produce for feeding a family. Learn best vegetables selections for Oklahoma and how to plant in limited space. Some old ideas will be revisited. Room 1, Will Rogers Gardens Exhibition Center, 9:30 am – 11:30 am.

September 14 – Winter Gardening – Join the Oklahoma Gardeners Association presentation on seed collection and storage, winter sowing and the use of cold frames. Learn how to start and grow plants during the coldest winter months outside. Will Rogers Garden Exhibition Center Auditorium, 9:00 am – Noon.

December 7 – Care of Christmas Plants – Join the Oklahoma Gardeners Association to learn about the care of Poinsettias and Christmas Cactus and how to force bulbs. These plants add to the holiday atmosphere in your home. Will Rogers Gardens Exhibition Center Auditorium, 9:30 am – 11:30 am.

All topics may be changed or edited, as needed.
